Welcome to your forever home on Windermere Dr. This stunning custom-built executive 2-storey residence backs onto the river valley, boasting panoramic west-facing views of the river, golf course, and surrounding nature. It's your own private paradise with the comforts of city living. From the majestic spruce trees that greet you, to the inviting covered porch stretching to the front door, nothing was overlooked—including the perfectly placed tire swing. Close your eyes and you can already hear the children's laughter that will echo through this home for years to come. Inside, the floor-to-ceiling windows immediately draw your gaze to that view—the one this home was purposefully designed to showcase from every room. Vaulted ceilings and a soaring central two-sided stone fireplace create a warm yet dramatic space. If ever a home was built to entertain and impress, this is it. The quality, craftsmanship, and attention to detail are second to none. And as for the rest, the photos say it all.
